I.) LEAGUE ORGANIZATION

The governing body of this league will be composed of one representative from each team and the league coordinator.

II.) FIELD AND EQUIPMENT

- A.) The Flag Football field is 40 x 100 yards. The field is divided into 20-yard sections with 10-yard end zones. The team area is located on opposite side of the field across from scorekeeper. The area is 2 yards from the sideline and between the 20-yard markers. (No players or coaches are permitted inside of the 20-yard line.)
- B.) The league will use a regulation size ball. Each team will furnish a regulation size ball on offense. Each player must wear shoes. They must be made of soft, pliable upper material (canvas, leather or synthetic) which covers the foot, attached to a composition bottom. Metal cleats shall be illegal.
- C.) All players should wear similarly colored jerseys. Jerseys should be numbered on the front or the back (this rule may not be used to protest the outcome of a game). The referees do not enforce this rule. A 2-week grace period will be in effect from opening day of the season. After that time, league coordinator may take action against teams that are non-compliant with the uniform rule. The home team shall wear white jerseys with numbers and the visitor's team shall wear colored jerseys with numbers in all games. Matching pants (without pockets) and socks are recommended, but not required. Jerseys must be either long enough to remain tucked in at all times or short enough so there is a minimum of 4" from the bottom of the jersey to the waistline. Pullovers will be available if teams wear same color jersey.
- D.) All pants or shorts must be without any belt loops or pockets or exposed drawstrings.
- E.) All teams must wear the one-piece triple threat belts provided by the department at all times.
- F.) The following equipment is legal (optional): Ace bandages (no more than two turns deep), gloves made of soft, pliable non-abrasive material, knit or stocking caps (no caps with bills), soft, pliable knee pads or ankle pads and mouth pieces.
- G.) The following equipment is illegal: all headgear, except knit stocking caps, all jewelry, all pads or braces worn above the waist, braces worn below the waist made of any type of hard or unyielding material, any slippery or sticky substance on the body or equipment, any electric or mechanical communications devices and hand towels attached at the player's waist.

- C.) In order for a player to change teams, the manager must report to the league coordinator requesting his/her release. A player may obtain his/her own release to play with another team; however, he/she must request to be added to his/her new team's roster filed with the scorekeeper at the field. After he/she is added to the roster, he/she must wait for his/her new team to play one league game before he/she is eligible. A player may change teams one time per year.

V.) PLAYER CONDUCT

Officials are directed to eject players who are guilty of any of the above.

The clock is stopped for time-outs only. ***Extra Point plays before the 2-minute warning are timed downs and clock will continue to run.*** The clock will continue running on incomplete passes and out of bounds plays, until the last 2 minutes of each half. The ball shall be put into play within 25 seconds after it is declared ready for play by the official. The official may order the game clock started or stopped whenever, in his opinion, either team is trying to consume or conserve playing time by tactics obviously unfair.

 - Hands off the football
 - Snaps the ball into play

 - A pass intended for a female (in the eyes of the referee) that is deflected by a female and caught by a male counts as a female play.
 - A completed pass to a female player past the line of scrimmage, and the receiver then laterals the ball to a male player behind the line of scrimmage is not a female play
 - A completed pass to a female player past the line of scrimmage, and the receiver then laterals the ball to a male player past the line of scrimmage is a female play

 - 4.) If on this play a male catches or runs the ball : loss of down, the play is ruled “dead”, and the ball is brought back to the line of scrimmage.

ADULT FLAG FOOTBALL TIE BREAKER

The following procedure will be used to determine the first place finisher at the end of the season, or break ties for any place.

TWO WAY TIE: If two teams are tied with identical records, the winner would be the team that won the game(s) when the two met. If the two teams split their game, the team with the highest average point differential will win. If the teams are still tied, the team that gave up the fewest points will win.

THREE WAY TIE: If three or more teams are tied, the winner will be determined by the point differential average per game, unless one team has defeated all the others (must win both games if two games were played).

TO FIGURE AVERAGE POINT DIFFERENTIAL:

	WIN/LOSE	SCORE	POINT DIFF/GAME	
Example: Team A	WIN	21-14	+7	
	LOSE	26-20	-6	
	WIN	40-36	+4	
	WIN	35-0	+35	WIN
	14-7	+7		
	WIN	21-20	+1	
	LOSE	16-6	-10	
	LOSE	40-35	-5	

			+33	

Avg. Point Differential - $+33/8 = 4.125$ APD

If two teams then have the same average points per game differential, the team that won the game(s) played between the two teams during that half would determine the winner. If the teams split their games, then the team that gave up the fewest points will win. If a team registers a forfeit (win or loss), the results for tie-breaker will be optional, if forfeit decreases differential then score will be dropped from average. Losing game will be calculated with total games.
