It is the intent of Cobb County Government to comply with the Americans with Disabilities Act. In order that the department assures compliance, if you have a specific physical or service accessibility need, please make the staff who work with the program/facility aware so that we can reasonably accommodate your needs. We want our facilities and programs to be “user friendly” for all participants.

In the event of inclement weather, call the rainout hotline at 770 528-8822 (after 3:00 pm weeknights only). The league coordinator will reschedule games and notify all team managers 48 hours or 2 days prior to the playing date. Teams failing to appear for a make-up game shall forfeit. If you are not notified of a rainout by phone or by message on the hotline, report to the field to play.

Thank you for your interest in our program. If I can be of any assistance, please feel free to call me at 770-528-8862.

NEW - ONLINE REGISTRATION INSTRUCTIONS

(For returning spring league teams only to same park & league)

Cobb County P.A.R.K.S. and Senior Services departments are very excited to offer you the ability to easily and securely view and register for activities online. They are making the switch from our current registration software to ActiveNet. The NEW registration system is faster, easier to use, provides around the clock access, and your account information remains private and secure.

Go to the P.A.R.K.S. home page, www.cobbcounty.org/parks, and click on the 'Register Online' button. If you have registered within the last 24 months for activities offered by P.A.R.K.S. and Senior Services, your account will be transferred into the new ActiveNet system. To log-in, simply enter your email address then just click on "Forgot My Password" and click Continue. An email will be sent to you providing you with a temporary password. If you receive an error message stating that the system cannot locate your email, you can easily create a new account by following these simple steps:

1. Click on the Create an Account link.
2. Fill out the form for New Account Request completely; including all required fields (Birth Date, Gender, Email Address, etc.) and click submit. Please submit your request only once.
3. Please note if you are registering a child for an activity, please use your own information when filling out the online registration account request form, NOT the information of the child you wish to register for an activity. Once you have an online registration account, you will have the opportunity to add family members.

You must have an account created in the new registration system prior to being allowed to register for spring activities. If you have an existing account it is likely we do not currently have your birth date and this is required in the new system as many classes, memberships and fees are based on age. So please make sure we have that information for you and your family members. Do not wait to create your account on registration day and possibly missing out on that much desired class.

GET READY: Verify your account in the new system. If you have questions, contact the athletic coordinator that you normally deal with.

GET SET: Create your account and make any necessary updates.

GO: Check out registration dates at www.cobbcounty.org/parks and register.
